

Dust Cleaning Tape

ELEP CLEANER ELEP-A3500

Outline

In the production of electronic and display devices, it is very important to maintain the degree of cleanness of work environment. Then, we propose the roll cleaner which rolled the adhesive face of an adhesive film outward. The handy type can be used for a wide range of applications, from cleaning of the floor and workbenches in factory, to removing dust from apparel.

Construction

※There is perforated line

Features

- The dust removing performance is excellent, and a foreign material is firmly caught in a process.
- By removing the dirty field, it can be used in the beautiful condition at any time.
- Perforated lines are contained at the fixed interval, and cut performance is good.

Application

- Cleaning of floors and walls in a factory
- Cleaning of workbenches
- Removing dusts from clothes
